Selectmen's Meeting

MAY 13, 1986 - by VIRGINIA ARRAL
CONFUSION OVER WHARF SPACES
DOMINATES MEETING

Mr. and Mrs. Howard Chadwick met last Tuesday with Selectmen and Steven Mach, Wharf Commissioner, to discuss the enforcement of wharf rules and regulations as they pertain to boat space at the wharf.

Mr. Chadwick was upset because he had been denied the wharf space formerly held by the late John Makuch. The Chadwicks purchased Makuch's 34 foot boat formerly assigned to space number one. However, Chadwick claims that because the wharf commissioner changed the space between boats he does not have a wharf space.

Chadwick's letter to the Board noted that on April 19th a meeting was held concerning transfer of wharfage space with boat owners. At that time, Mr. Moreau, who was assigned to number 14, was offered a transfer to space number one for his 30 foot boat. Mr. Moreau accepted the transfer. Following inquiry, "I determined Moreau was not on the transfer list, as he had never requested to be placed on the transfer list by sending in a request to be placed on the list as required by Section 25 of the wharf rules".

Chadwick in his letter said Section 25 of the rules states: "If a person is not satisfied with the space that has been assigned to him, after accepting the assigned space, he may send in a written request to be placed on a transfer list. He may then avail himself of another space should one

become available". Chadwick felt that the assignment was in violation of the rules and asked that it be rescinded.

The meeting progressed like a chess game with the three Selectmen, Mach and Chadwick juggling various sized boats in various sized spaces. Mach explained assignments got changed because "we had a problem when owners kept getting bigger boats". Mach said he wants to make more room between boats because when a southwester blows boats are dangerously close together; some are going to get damaged. Theoretically, "we should have 10 feet between boats - five from the bow and five from the stern. I feel this is a safe distance," Mach said. Chadwick asked, "By what right or by what law can you change this?"

Mach explained before expanding spaces there was two feet between boats and many times they were touching. "It is my responsibility as Wharf Commissioner, and I feel now is the time to correct past problems."

Chadwick said he has been on the waiting list for 15 years and is now fourth on the list. He has a 34 foot boat and there is no space to put it with the space rearranging. Despite Mach's denial, Chadwick claimed the change is made to keep him out of a berth.

Selectman Frank Suzan said he would be more concerned with putting a larger boat into a tight space than putting something slightly smaller than a 34 foot boat into a 34 foot space. However, Suzan said, if Chadwick lost his space because of the change, then "I feel it's unfair".

Mach said Chadwick will remain on the list in fourth place unless someone further up on the list is accommodated with a space, then Chadwick will move up on the list.

discuss their joint meeting Monday with the Fairhaven Selectmen and Board of Health on the subject of Acushnet's problem with its sanitary landfill.

Health Board Chairman Evelyn Ellis noted "our first priority is protecting our own landfill. North Street residents don't like the idea of more trucks traveling that street to get to the landfill." A joint meeting with Acushnet Board of Health is scheduled for next Tuesday in Mattapoisett.

Mrs. Ellis said Acushnet has 40 acres on which to expand but its voters last year turned down the private contractor's right to expand. Selectmen agreed to listen to the Board's suggestions.

On another matter, Mrs. Ellis explained she has found a cheaper way to dispose of tires at the dump. She said a new company in Middleboro has a machine that comes to an on-site location (Mattapoisett dump) to chop up tires, furniture and bushes (all except concrete) at a cost of 61 cents per tire. She said they can do an average of 500 tires per hour and stay as long as "we can afford to use them". She recommended a representative come to a future meeting with both boards present to discuss their methods and costs. Selectmen agreed.

GAVE THE GO-AHEAD for the 16th annual July 4th Road Race to Robert Simmons and Charles Prefontaine, race committee organizers. Simmons explained the race will start at 10 a.m. with the firing of the cannon from Fairhaven and will follow the same route as last year.

Simmons said the committee plans on seeking the cooperation of the Police Department and Highway Departtment as in past years. Last year there were 480 registered; 440 finished the race. T-shirts will be given to entrants, he noted.

Selectman James Huntoon commented this July 4th race is the oldest continuing road race in southeast Massachusetts.

GRANTED to the Medeiros Bus Company a license for a 6,000 gallon diesel underground storage tank. The facility will be placed on the Old Rochester Regional High School grounds and has received the approval of the ORR School District administration.

Ralph Souza, representing John J. Medeiros, bus company owner, said the storage tank will cost approximately $20,000 to build and will be an Owens-Corning tank. A $5. million liability insurance policy will be obtained, Souza said.

Fire Chief Donald Wood said he had no problem with the proposal, providing all state and local regulations are followed. Board of Health Chairman Evelyn Ellis said the bus company would have to get a yearly permit and there will have to be an annual pressure test made on the tank.

Souza explained the company has a fleet of new buses and 12 of them will be kept at the school - some will be taken home by Rochester drivers and kept on their property off the street. This will eliminate the three places where buses are presently kept.

Souza also noted that if Medeiros Bus Company loses its contract, the storage facility becomes the property of the town. Selectman Huntoon asked if the buses would create more wear and tear on the roadway to the school grounds. Souza said there would be no more adverse effect than the regular bus trips would make.

WERE NOTIFIED by Eileen Marland, Ph.D., guidance counselor for ORR Junior High School, that the Office of Job Partnerships will be funding a summer program from July 7-

The name of a young man who is interested in working at the town sanitary landfill will be given to the Board of Health for their consideration. Executive Secretary Carol Adams said there is no cost to the town for this program and noted the town utilized the services of two young people last year, and it worked out well.

GRANTED the Fairhaven Water Department approval to install a 16 inch water main from Long Plain Road to the end of Tinkham Lane (length 3,000 feet). Asphalt road will be patched, and the gravel road will be re-graveled in the trench area. Work will extend from June to September 1986.

FAILED TO RECOMMEND the installation of speed bumps just inside the pillars at Antassawamock. Chairman DeCosta commented that legally "we have no right to restrict the placing of these bumps in the road". However, they are not favored by the Highway Surveyor Manuel R. Nunes and Police Chief James Moran. Chief Moran said he is half and half on the matter but feels they would be a hazard to the ambulance and police emergency vehicles. Nunes feels they are a hazard and should not be put in. They could create problems when snow plowing is done, Nunes said.

TABLED ACTION on information received from Raymond Coville of Humphrey, Coville and Coleman Insurance Company that the town could save $2,611 on its current policy for comprehensive and collision covering town vehicles. Selectmen felt this action would be a last ditch change to conserve expenses.

Coville did not recommend this change unless the town has adequate money to set aside to repair or replace any uninsured vehicle damaged or stolen. The vehicles mentioned include the fire department van, the fire chief's car, school department tractor and trailer, Council on Aging van, both Water Department trucks and the Shellfish Warden's truck. Also, collision insurance on all highway department vehicles would be considered.

Bicycle Safety

Police Safety Officer R. Stanley Ennis met with Selectmen last Tuesday as the Board proclaimed the week of May 18-24 as BICYCLE SAFETY WEEK with special attention given to "SAFE DRIVING PRACTICES"

Bicycling as recreation, transportation and sport is enjoyed by one out of every two Massachusetts citizens. In 1984, Massachusetts bicycle fatalities involving individuals between the ages of five and nineteen dropped by 52 percent from the preceding year, and in 1985, the positive trend continued. Mattapoisett Memorial Day

Chairman John N. DeCosta and his committee for the Florence Eastman Post 280 American Legion have just completed plans for the Memorial Day Exercises and Parade on Monday, May 26th, at 1:30 p.m. The exercises will be held at the Public Library on Barstow Street.

The Memorial Prayer will be given by Reverend Stanley J. Kolasa, ss cc, Pastor, St. Anthony's Church.

The Old Rochester Regional High School Band will entertain by playing the first two selections on the program: Liberty Bell March by Souza, and Trooper Salute by Boucook.

The Gettysburg Address will be recited by Amy Blasdale, daughter of Mr. and Mrs. R. William Blasdale and an 8th grade student at Old Rochester Regional Junior High School.

The Address will be given by CDR M.C. Rosenfield, USCG R-R.

The other two musical selections will be played by the Old Hammondtown School Band.

Survival Program

WEEK-LONG OUTDOOR EXPERIENCE

The fabled SURVIVAL PROGRAM, an integral part of the Old Rochester Regional Junior High School Health-Science Curriculum in Grade 7, is scheduled to occur from Sunday, June 15th, to Saturday, June 21st.

The week-long outdoor experience has a rich, fourteen-year history, tracing back to its originators, Jim Hubbard and Carleton Vaughan. Jeff Rodman, our current leader, has estimated that more than fourteen hundred grade 7 "Survivors" have participated in the program

Among those numbers, we suspect, there are many who have not continued to use equipment purchased for the wilderness expedition. Backpacks, cooking utensils, and other related camping equipment are actively being sought by our Survival Advisory Committee to ensure that all of our young people who wish to participate in the program will have the means to do so. If it is possible for you to donate or loan such equipment to our Survival equipment pool, we would appreciate hearing from you. Simply call Jeff Rodman or Bob Gardner at 758-4928.

Information regarding our 1986 Survival Expedition will be presented at the annual Survival Presentation meeting, Wednesday evening, May 21st, from 7 to 8:30 p.m. Parents of participating students plus adult friends of the program are encouraged to attend to view our newest Survival slide show extravaganza...and have any questions related to the program answered by the chaperones and leaders.

We look forward to seeing you or hearing from you.

reading children's literature with her youngsters. After receiving her Master's Degree in Library Science at Simmons College, she worked at the Fall River Public Library in the Children's Department and in the Reference Room. From there, she went to the Westport Free Public Library where she supervised the Children's Department.

At one time she was doing graduate work in the study of Natural Americans at the University of New Mexico at the same time her daughter, Erin, was attending the same university.

Although the move from Westport to Mattapoisett meant traveling time, she felt the opportunity to work as Director of the Library would offer her new challenges and added dimensions with both the adult and children's departments.

"This is a lovely library and I am pleased to be here. The Children's section on the lower floor is especially attractive and offers a pleasant atmosphere for the children." She added that even if you don't have children residents should make an effort to visit the children's section. "In Westport, the children's department was partitioned off from the rest of the library. Here, the children are fortunate to have the entire bottom floor offering a wide variety of books," Mrs. Tansey said.

Festival of Fun Fair

Every child's dream comes true when they travel with Michael Lamoureaux in the G.H. Dunn Fire Engine. Through the generosity of the G.H. Dunn Insurance Agency, the children of our community will have the opportunity to travel the village streets of Mattapoisett at the Festival of Fun Fair. The brilliant red fire engine will be available for rides throughout the day on Saturday, May 31st, at the front entrance of Center School. Please come and make your child's dream a reality.

your instrument needs dusting, or you must borrow it back from your son or daughter, we would love to have you. The selections we will play are Pomp and Circumstance (sound familiar?) and The Liberty Bell March. Rehearsals are scheduled for June 2nd, 7 to 8 p.m. and June 7th from 10 to 11 a.m, followed by coffee and donuts, and graduation at 11:30.

For more information contact George Murphy or Polly Mort at 758-3745.

LOYALTY DAY OBSERVANCES

Members of the Benjamin D. Cushing Post #2425 traveled to Lowell for the annual Loyalty Day Parade. Leading the contingent was 90 year old charter member Benjamin Dexter, followed by the Post Color Guard and members. The parade was stopped several times for spectators to take pictures of this "young" gentleman from Marion.

On May 4th, members of the Ladies Auxiliary traveled to Hyannis for their annual observance of Loyalty Day. The service, held at the John F. Kennedy Memorial, was organized by Patricia Straczek, State Chaplain and Americanism Chairman for the Department of Massachusetts Ladies Auxiliary. Master of

Sippican School

The Sippican School Improvement Council, established by the Marion School Committee under the provisions of the School Improvement Act - Chapter 188, started meeting in early March to discuss how the 3,370.00 allotted to Marion might be spent in order to "improve" Sippican School. The Council is chaired by the school principal, Carla Gifune. Other members include three staff members Debra Almeida, Rebecca Tamlyn, Reginald Carter, two V.A.S.E. members Thomas O'Shaughnessy, Elizabeth Leatham, and a community representative, Karen Santos. The council decided to send a questionnaire to staff members and school volunteers asking for suggestions using the following criteria:

1. Should affect the staff positively.
2. Should have a positive effect on students.
3. Should enhance the quality of our edu-

4. Should have a long term goal.

Based on responses to the questionnaire, and a great deal of thought and discussion, it was decided to purchase one Apple computer to enhance the Computer Program, to engage the services of the Manomet Bird Observatory as consultants to advise us on the best use of our courtyard as an in-school nature resource, to purchase a typewriter with large print to be used in connection with primary writing projects, a binding machine to be used to bind student books and reports, and some extra paper supplies, such as poster board and colored index cards to be used in game-making, bulletin board displays, and other special projects.

After a tour of the courtyard and a meeting with the staff, the Manomet consultants advised the purchase of certain shrubs, plants, lumber for constructing feeders and feed. They also suggested fall, winter and spring workshops. A Courtyard Committee will be established to review the Manomet report and to follow through on the plans for the courtyard.

At the final meeting on May 5th, the council focused on plans for 1986-87 which include a Living History Social Studies project for October and November. Upper grade students will become knowledgeable in various skills, trades, crafts, and foods of 19th century American culture, and will share their knowledge with younger children by visiting their classrooms. The general plan is for the whole school to become involved. The other area that the council plans to pursue is a Performing Arts/Artist in Residence program for March. Anyone on the staff, from V.A.S.E. or in the community-at-large is invited to let the School Improvement Council know of

This year, there will be only one division for girls who are completing grades 5 through 8. However, if there is sufficient interest within the town of Rochester, there is a possibility of taking a team consisting of girls in grades 9 to 12 to play in a Fairhaven league. For more details and to register for either league call Elaine Stewart at 763-8777 after 6:15 p.m.

A typical playing schedule for either age group would include a weekly practice, plus one to two games per week. Cost is $15. per girl. Participants may be skilled or unskilled. The emphasis is to teach the sport plus develop and improve existing skills.

Any girl in Rochester in grades 5 through 12 is invited to participate.

REWARD!

UNCLAIMED
SCHOOL SEWING MACHINES

Necchi's Educational department placed orders in anticipation of previous year sales. Due to budget cuts, these sales were unclaimed. These machines must be sold! All machines offered are the most modern machines in the Necchi line. These machines are MADE OF METAL and sew on all fabrics: Levis, canvas, upholstery, nylon, stretch, vinyl, silk, EVEN SEW ON LEATHER. These machines are new with a 25 year warranty. With the new 1986 Necchi 534 machine, you just set the color-coded dial and see magic happen: straight sewing, zigzag, buttonholes, applique, sew on buttons and snaps, top stitch, elastic stitch, professional serging stitch, straight stretch stitch ... all of this and more without the need of old fashioned cams or programmers.

YOUR PRICE WITH THIS AD, $198. Without this ad: $539.

ORR Math Team

FINISHED THIRD IN N.E. COMPETITION

The ORR Math Team recently competed in the 13th Annual New England Mathematics Competition which drew the top 50 math teams from the six-state region and finished third overall. This was the fifth consecutive year that the team from ORR has qualified for the New England Meet held at Canton High School and was its best finish to date.

Top scorers for ORR were co-captains Erik Morris and Brian Reid with 16 and 13 points respectively out of a possible 18. Other scorers included David Tremblay, Vicki Hiller, Joshua Pond and Jennifer Morris.

This completes the best year the ORR Math Team has had since it began competing ten years ago. The team won the SMC Mathematics League for the fifth consecutive year, fin-

ished third at the State Math Meet, and placed four students on the nineteen-school SMC League All Star Team of ten students.

According to Mr. Cameron, Math Team coach, "The year was amazing! In the SMC we had an uphill battle all year against Dartmouth and after losing the first three meets, we nosed them out in the playoffs. At the end of January we were 22 points behind Dartmouth and things looked pretty bleak--but not impossible. We worked harder, practiced more and managed a great comeback through the league playoffs. The members of the team gave up three study halls per week to practice with me during my free periods and it all payed off. I'm very proud of this team and wouldn't bet against them next year."

ORRJHS STUDENT HEARS FROM FIRST LADY

Jennifer Eames of Marion has received a response to her letter to the First Lady, Nancy Reagan, about her concern over the "epidemic use of drugs by young people".

Mrs. Reagan asked Jennifer for her continued support in speaking out "about the need to help where we can and continued public attention on the problem". Jennifer is a 7th grader, Blue Team, at Old Rochester Regional Junior High School, and her letter was her assignment for the letter-writing component of the 7th grade curriculum.

Camp Massasoit

The Greater New Bedford YMCA has announced it is now taking registration for YMCA Camp Massasoit, a day camp program for children ages five to fifteen years of age. Located on the Mattapoisett Harbor, the summer program offers archery, swimming instruction, arts and crafts, nature, volleyball, tennis and other sports and games, with four-two week sessions to choose from. Camp begins on Monday, June 30th, and ends on Friday, August 22nd.

The cost of YMCA Camp Massasoit is $105.00 per two-week session, which includes transportation, milk and insurance. Transportation is provided to all areas of Greater New Bedford, including Westport, Dartmouth, Fairhaven, Mattapoisett, Marion and Rochester.

One of the highlights of the day camp has always been its aquatic programs, in addition to daily swim lessons led by certified and experienced staff, an excellent sailing, and water skiing program is offered to the older, more experienced swimmers in camp.

YMCA Camp Massasoit is located on a beautiful 30-acre site adjoining Mattapoisett Harbor. There is well over a mile of shoreline, beaches, 2 fresh water swimming pools, tennis courts, basketball courts, athletic fields, archery range, large 20-room house, 3 large pavilions, units for girls, and much more, all in a picturesque scenery.

"We are all very excited about this summer's camp season", remarked Andrew Fales, new Program and Camping Director at the

Garden Classes

SPONSORED AT ROTCH-JONES-DUFF HOUSE & GARDEN

The Rotch-Jones-Duff House & Garden Museum located at 396 County Street in New Bedford is sponsoring a series of four garden classes, "Plant a Season", each Thursday from 3:30 to 4:30 p.m. in June. The public is welcome and there is no admission fee.

On Thursday, June 5th, Barry Therrien of G. Bourne Knowles in Fairhaven will share her knowledge of fragrant plants and herbs such as scented geraniums, lavender, mints, sweet woodruff and coriander and will demonstrate combining dried flower petals with spices to make a potpourri.

On Thursday, June 12th, a Garden-Field trip is planned in the area's city and country gardens.

On Thursday, June 19th, Barry Therrien will teach the planting of culinary herbs such as basil, marjoram and anise and the preparation of herb vinegars and mustard dips.

On Thursday, June 26th, Anne Davidson from the Garden Club of Buzzards Bay will instruct

Mattapoisett Brownies

On May 12th the members of Brownie Troop 158 with the help of Kris Brammer and Ann Throop planted a beautiful flower garden around the flagpole at Center School. The garden is also on top of the spot where the Time Capsule was buried during the Bicentennial Celebration in 1976. The girls dug the ground, enriched the soil, and planted a variety of flowers including petunias, marigolds, and johnny jump-ups. It was their way of saying "Thank You" to the Center School staff for allowing them to hold their meetings in the cafeteria throughout the year. Members include Katie Aleardi, Megan Aleardi, Sarah Arguin, Tara Best, Lizabeth Blouin, Farah Bowers, Shaundra Brammer, Sarah Chase, Katy Clark, Maureen DeCoffe, Stephanie Ferreira, Kerry Gaspar, Kate Muldoon, Heather LeClair, Kristen Throop and Elizabeth Xavier.

An open letter to anyone who owns a camera.....ANY camera:

Have you ever wondered why your last roll of film looked kinda funny while the previous roll had beautiful colors? We think you should know just WHAT controls color. It's not the camera, it's the PROCESSOR. That's right! What happens to your film after you take it out of the camera is every bit as important as what you did while you were shooting. If the reds aren't red and the whites aren't white, don't blame yourself. If the exposure was correct and the colors are bad, the ONLY cause is PROCESSING. We're very proud to announce that we have purchased and installed the finest mini-lab money can buy and we are turning out incredibly beautiful color pictures for our customers. 110, disc, 35mm, 126, you name it. If you'd like to see what REAL color prints should look like, let us do your next roll. You'll find that we charge just about the same as the drugstores do, but you'll see a world of difference in the results.....and THAT'S a promise. (P. S. You'll get the back the same day too.....and no extra charge) You're a better photographer than you think you are. Let us prove it.

ROSARY

During the month of May, the Adorers of the Blessed Sacrament will be reciting the rosary in honor of our Blessed Mother, Mary. It is held daily from Monday through Friday at 7 p.m. in Our Lady of Lourdes Chapel, in the Sacred Hearts Church, 382 Main Street, Fairhaven. All are invited to join in the recitation of the rosary.

EXPOSITION OF THE BLESSED SACRAMENT

Every Friday Exposition of the Blessed Sacrament is held following the 8:00 a.m. Mass continuously to 8:40 p.m. when Benediction takes place, at Our Lady of Lourdes Chapel. However, on Friday, June 6th, the feast of the Sacred Heart, Exposition will end at 5:45 p.m. because an all-night vigil with Exposition will begin at 7:00 p.m. in the main church.

All are welcome.

Wampanoag Canoe Passage

SIX-DAY TRIP FOR HIGH SCHOOL STUDENTS

The Lloyd Center for Environmental Studies announces its next VOYAGE for high school students, a six day trip on the Wampanoag Canoe Passage. From June 22-27, VOYAGERS will paddle seventy miles of rivers, streams and ponds connecting Cape Cod Bay and Narragansett Bay, traveling the route covered by Wampanoag Indians hundreds of years ago. VOYAGERS will study the Indian history and culture as well as exploring the natural history of the waters of the Passage.

The Wampanoag Canoe Passage, used by the Wampanoags before roads crisscrossed the area, has been established again by the Plymouth County Development Council for education and recreation. The route, which includes several portages of varying lengths, is varied. We will start at the picturesque North River, an estuarine system bordered by saltmarsh, proceeding to smaller streams and across several ponds, finally reaching the Taunton River, which may have some small rapids if the water is high. There have been reported sightings of huge turtles and frogs, as well as numerous birds, and some beavers and muskrats.

The tuition for this six-day VOYAGE is $200. for Lloyd Center members and $215. for non-members. Limited scholarships are avail-

Children's Museum

MEMORIAL DAY WEEKEND

Busy weekend activities are scheduled for children, the friends and their families at the Children's Museum in Dartmouth over the long Memorial Day weekend. The museum will be open from 10 to 5 on Saturday, May 24th, and from 1 to 5 on Sunday, May 25th, and Monday, May 26th. "Dew Drop By" for fun, free ongoing activities.

EGGS! are the thing on Saturday, May 24th. How do eggs breathe? What are they made of? How do chicks develop in the shell? Come learn about one of nature's strangest inventions. This class from 1 to 2 p.m. is for children ages 8 and up. Cost is $1.00 for museum members and $2.00 for non-members. FOSSIL DISCOVERY will be held between 1:30 and 3:30 p.m.

SUNDAY SPICE will feature creative snackery on Sunday, May 25th, between 1:30 and 3:30. Learn fun ways to make great snacks with Catherine Caton-O'Berry, formerly of Down to Earth Kitchens and currently a baker for Down to Earth Natural Foods. Create life-size self-portraits in BODY OUTLINES between 3:30 and 4:30. Both activities are free and included with museum admission.

Memorial Day, May 26th, at the Museum will feature "Dew Drop By" activities for museum visitors. Learn BASIC EMBROIDERY and use your new skills between 1:00 and 3:00, and create life-size self-portraits in BODY OUTLINES between 3:00 and 5:00.

Visit the HATCHERY and look at eggs and newborn baby chicks; experiment with COLORED SHADOWS; make and serve pizza at EATAPIZZA; take a ride in a SPORTSCAR; visit the DENTIST'S OFFICE to play "Tooth Invaders"; and be a part of WFUN-TV.

The BEEHIVE is now back in operation. This year's exhibit includes a window that will enable Museum visitors to view the bees as they fly in and out of the hive. A special observation center will be set up to allow visitors to participate in a study of the bees.

Visitors may continue to explore "CURIOUS WORLD", the SPACESHIP, BEETLECAT SAILBOAT, LEGO LAND, VEGETABLE GARDEN, GROCERY STORE, CLOWN ROOM, and PUPPET THEATRE. "Reptiles and Amphibians" include 2 Boa Constrictors. Ferrets and Rabbits also call the Museum home.

The Children's Museum is dedicated to stimulating in children an interest in the arts, nature, science and the humanities through hands-on discovery of the world around them. The Museum offers a wide range of educational experiences. In addition to the "hands-on" indoor exhibits, the Museum offers visitors the chance to explore the outdoors on a self-guided nature walk on the Museum's sixty acre site. Climb upon an antique fire engine or play in a giant sand box.

Softball Marathon

Anheuser-Busch, producers of Bud Light beer, is urging all softball players to "Catch the Spirit" and register for the Bud Light Easter Seal Softball Marathon. The marathon is open to all teams - advanced or pick-up - and will be held in the New Bedford area on the weekend of June 14 and 15 at Brooklawn Park.

Each team that enters the marathon receives a game trophy and a chance at other great prizes. Easter Seals and Anheuser-Busch have extended an invitation to every business, recreational or competitive team in the area to participate in this event.

All proceeds from the Bud Light Easter Seal Softball Marathon help to fund Easter Seal services including stroke clubs, therapeutic swim programs and summer camping opportunities.

Other Easter Seal services are physical, speech and occuapational therapy for public schools and daycare centers throughout Massachusetts, an equipment loan program, and Easter Seal Home Health Care.

To register a team for the marathon or for more information interested players can call the New Bedford office of Easter Seals at 997-1553 or toll-free, 1-800-922-8290.

Marriage/Divorce Center

WORKSHOP FOR DIVORCED AND SEPARATED

"Healing During Divorce and Separation" is the theme for a one-day workshop being sponsored by the Marriage/Divorce Center of the Inter-Church Council. The workshop will be held on Saturday, May 24th, from 9:30 a.m. to 4:00 p.m. at 412 County Street, New Bedford.

The leader of the workshop will be Ms. Harriet Gorodetsky, M.A., the Director of the Divorce Education Workshop Program of the University of Rhode Island Extension Service. Ms. Gorodetsky is a Nationally Certified Counselor with the American Association for Counseling and Development. She has been engaged in private practice in Providence and has led workshops for businesses and organizations on relationships, communication, stress reduction, self-esteem, and healing the inner child.

This is the first time that she will be leading a workshop in the Greater New Bedford Area. She is being sponsored by the Marriage/Divorce Center as a means of providing a resource for persons who are undergoing divorce or separation. The cost of the workshop is $30.00 which includes lunch. For information call the Marriage/Divorce Center at 999-2476.

BROADWAY MUSICALS THIS SUMMER

Robert A. Freedman, Executive Director of the Zeiterion Theatre, and Charles S. Peckham, Producer, American Musical Theatre, announce a major step forward in the Theatre's summer season and presentation of Broadway musicals. The Zeiterion has entered into an agreement with The American Musical Theatre, Inc. (A.M.T.), a professional resident music theatre company located in New London, Connecticut, to co-produce three popular musicals, Camelot, The Pajama Game and Carousel.

All shows will be presented at the historic 1267 seat Zeiterion Theatre this summer.

Scheduled dates are June 19 through 21 for Camelot, July 24 through 26 for The Pajama Game, and August 28 through 30 for Carousel. All shows are on Thursdays and Fridays at 8:00 p.m. and Saturdays at 5:00 p.m. and 9:00 p.m. These same 3 shows will also be performed at the Garde Theatre, AMT's home in New London, and Worcester, MA. prior to the Zeiterion dates.

According to Freedman, "Our arrangement with AMT is a very unique venture. Along with the Actor's Equity Company, some supporting and chorus roles will be cast from the New Bedford area. It allows us the opportunity to merge talented local performers with a professional Equity company. This arrangement represents our continued effort to produce high quality, professional Broadway musicals for the people of southeastern Massachusetts, and give regional talent a chance to perform on the Zeiterion stage. Last season's success of A Chorus Line, produced by the Zeiterion, showed there is a demand for this type of product."

The Zeiterion has contracted with New Bedford Directors George T. Charbonneau and Armand R. Marchand to audition, cast and rehearse the local performers who will complement the Equity cast when it comes to New Bedford. Don Vasconcelles of North Dart-

mouth has been engaged as Music Director for the local rehearsals. All were engaged in the recreation of the theatre's production of A Chorus Line. A Movement Director and Rehearsal Pianist will also be added to the local production team.

Established in 1984, the AMT, of which Charles Peckham is founder and producer, has presented six major musicals each of the past two seasons. The company's goal is to present American musicals as they were originally staged on Broadway, which includes a full orchestra. Lead roles and dancers are cast out of New York City with Equity performers.

"HERB FESTIVAL"

The 5th annual "Herb Festival" will be held at the Green Briar Nature Center & Jam Kitchen in East Sandwich on Friday, Saturday and Sunday, May 30th, 31st, and June 1st. The festival includes lectures, demonstrations, exhibits, an herb plant sale and a delightful herb luncheon. The herb luncheon will be served on Friday and Saturday from 11:30 a.m. to 1:30 p.m., and reservations are suggested.

"Potpourri", "Creative Ideas with Herbs and Everlastings", "A Talk and Walk in the Wildflower Garden", and "A Taste of Wild Herbs" are among the special programs taking place during the 3-day festival. Pre-registration is required and further information may be obtained by calling 888-6870.

Plan now to join in this exploration of the world of herbs: growing them, using them, understanding them. The public is invited to stop in from 10 to 4 on May 30 and 31 and from 1 to 4 on June 1. Green Briar is located on Discovery Hill Road (off Route 6A) in East Sandwich.

vice or experienced photographer, for the teacher, youth leader or other person charged with teaching coastal environmental science are designed to enrich what you already know or to open new worlds of experience for you.

If bird life is what you are interested in, then the Lloyd Center's Birds of the Coast - An Introduction to Ornithology is the minicourse for you. Join Lloyd Center Staff Ornithologist Steve Reinert in this exploration of the diversity, behavior, distribution, anatomy and physiology of birds of southeastern Massachusetts. Steve, a researcher with the Center, has offered this course in the past at universities and is now providing this same instruction to registrants through the Center.

Through three classroom sessions Steve will prepare the group for three field trips to a variety of habitats in the region, exploring the relationship between birds and their environment. Steve has supervised the Center's efforts to document the populations of birds at Allens Pond and has researched and taught about birds of Rhode Island and southeastern Massachusetts. The course begins on May 28th and continues on Wednesdays and Saturdays until June 14th. Registration for this course is $35. (Lloyd Center members) and $40. (non-members).

Nick Whitman, Curator of Photography for the Old Dartmouth Historical Society/Whaling Museum will instruct the minicourse Nature Photography beginning Saturday, May 31st, and continuing on Saturdays and Thursdays until

June 12th. Through classroom sessions on composition, equipment selection and use, lighting and photography in the out-of-doors, Nick will prepare participants for shooting sessions of natural areas in southeastern New England. After each field session, the photographs will be processed (all film and processing is included in the registration fee) and will be reviewed at the Thursday class sessions.

Nick has taught this very successful course for the Center for the past three years. Registration is limited, so register promptly to reserve a space. The minicourse fee is $75. (Lloyd Center members) and $90. (non-members) which includes all film, processing and materials for this course.

Teachers, youth leaders and others interested in improving, increasing and expanding their teaching skills in the coastal environment will want to register for Methods of Teaching Coastal Ecology minicourse which the Lloyd Center is offering in conjunction with the University of Rhode Island. This minicourse begins on Monday, June 23rd, and continues daily until Friday, June 27th. The instructors for this minicourse are Dr. Alan Hankin, Lloyd Center Executive Director, Sandra Ryack-Bell, School Program Coordinator, and Drs. Ted Kellogg and John Boulmentis of the University of Rhode Island. This minicourse can be taken for credit or non-credit. Credit is granted through URI; teachers and others can register for 1-3 credits.

"DUCKY DELIGHT" Children's Set

This melamine place setting for children is more than just a small version of adult tableware. It was designed specifically for use by children. Like the rim that keeps food on the plate. Or the cup that is the size and shape of the bottle that baby just graduated from. The colorful surface design teaches baby the four seasons. And the unique duck-shaped box is a winner.
